BYRON

Un sofisticato gioco fra la struttura leggera ed elegante e il richiamo rassicurante dei rulli, in preziosi materiali, caratterizza l'anima innovativa del progetto Byron.

Armonia delle linee e rigore formale si declinano in un sistema di sedute con una forte personalità sartoriale.

A sophisticated play between the light and elegant structure and the reassuring call of the rolls, in exquisite materials, characterises the innovative soul of the Byron project.

Harmonious lines and formal rigour converge to form a seating system with a strong sartorial personality.

L'estetica pulita e sofisticata nasconde materiali innovativi e tradizionali che si miscelano sapientemente per un risultato di grande comfort. La seduta invitante, le cuscinerie ergonomiche e le diverse possibilità di profondità (92 e 102 cm) permettono di progettare un divano adatto a ogni esigenza di relax od ospitalità.

The clean-cut and sophisticated aesthetics hide innovative and traditional materials which are skilfully blended to generate supreme comfort. The inviting seat, the ergonomic cushions and different depth options (92 and 102 cm) enable the creation of a sofa suitable for all relaxation or hospitality requirements.

La combinazione di braccioli convenzionali o a rulli mobili spezza lo schema compositivo creando uno stile dinamico e altamente progettuale: insieme al bouquet di materiali e texture in collezione, da vita a molteplici accostamenti creativi.

Insoliti accostamenti che, mitigati dal carattere armonico di Byron, raccontano sempre un gusto equilibrato e raffinato.

The combination of conventional arm rests or mobile rolls breaks the composition down, creating a dynamic and highly project-oriented style. The bouquet of materials and textures featured in the collection brings to life a multitude of creative blends. Unusual blends, mitigated by the harmonious character of Byron, which always exude well-balanced and refined tastefulness.

L'universo di accessori e complementi che ruota attorno a Byron ne esalta la duttilità compositiva ed espressiva. Il gioco dei tavolini in sovrapposizione e i richiami materici e cromatici definiscono uno stile dello spazio living affascinante e personale.

The universe of accessories and complementary items which gravitates around Byron exalts its compositional ductility and expressiveness.

The play of overlapping side tables, recurring materials and colours defines a captivating and personal style for living interiors.

Il sistema di seduta Byron è disponibile in due profondità (92 e 102 cm) che possono essere accostate in soluzioni compositive originali ed individuali.

The Byron seating system is available in two depths (92 and 102 cm) which can be arranged into original and individual layouts.

A game of design *and fine tailoring*

La combinazione di tecnologia e savoir-faire crea oggetti unici e ricchi di fascino.

Le decise e sottili linee del basamento in alluminio corrono lungo Byron dialogando con finiture esclusive di pellami e tessuti: le cuciture a profilo disegnano i precisi volumi e raccontano grande ricerca sartoriale.

The combination of technology and savoir-faire creates unique objects, rich in allure. The decisive and slender lines of the aluminium base run along Byron, engaging in dialogue with exclusive leather and fabric finishes: piping stitching draws precise volumes and expresses fine tailoring.

Sofisticata *ergonomia*

La leggerezza visiva e le dimensioni contenute lasciano spazio in maniera inaspettata ad ergonomiche ed accoglienti cuscinerie poggiatesta. Insieme alle diverse profondità di seduta ed ai braccioli a rullo spostabili, il progetto Byron si trasforma in un vero laboratorio su misura.

The visual lightness and compact size leave space for inviting ergonomic cushions with headrests. Combined with different seating depths and movable armrest rolls, the Byron project transforms into a veritable tailored workshop.

COSY

Il sistema divani Cosy reinterpreta suggestioni e linee vintage in chiave contemporanea e innovativa.

Il sapiente disegno di curve e imbottiture crea un gioco di volumi inediti e affascinanti.

Un'estetica che racconta morbidezza e accoglienza, tradizione e innovazione.

The Cosy sofa system is a contemporary and innovative retake of vintage suggestions and lines.

The skilful design of curves and upholstery creates an original and fascinating play on volumes.

Aesthetics speak of softness, hospitality, tradition and innovation.

Schienali e braccioli piegano dolcemente e si arricchiscono di sartorialità: pinces e un originale taglio longitudinale esaltano le curve e donano un aspetto distintivo e iconico al prodotto. Sedute monoblocco, lunghe e sollevate da terra, donano leggerezza e stabilità al contempo. Soffici cuscini in Hi-tex completano un comfort che seduce immediatamente.

Backs and arm rests curve softly and are sartorially enriched. Pleats and an original longitudinal layout exalt curves, conferring a distinctive and iconic appearance upon the product. Single-block seating, long and suspended above the ground, effortlessly combine lightness and stability. Soft Hi-tex cushions complete a type of comfort which immediately wins the user over.

L'estetica elegante e accogliente è caratterizzata da volumi morbidi e generosi che trovano ordine nella finitura sartoriale a profilo che delinea ed esalta le forme. Giochi d'abbinamento tra tessuti e pellami descrivono una cifra stilistica raffinata e riconoscibile.

Elegant and welcoming aesthetics are characterised by soft and generous volumes, exalted by sartorial piping which outlines and enhances shapes. Plays on fabric and leather combinations describe refined and distinctive keynotes.

Modular & taylor

Cosy rappresenta un vero e proprio sistema di elementi modulari che grazie a 5 basi, 2 elementi schienali e 1 elemento bracciolo consente infinite varianti di divani e configurazioni. I layout progettati, chiusi o aperti, sono modificabili e invertibili a piacimento nel tempo. Le sedute sono dotate di un originale sistema a binario che consente il fissaggio di braccioli e schienali in ogni punto della base.

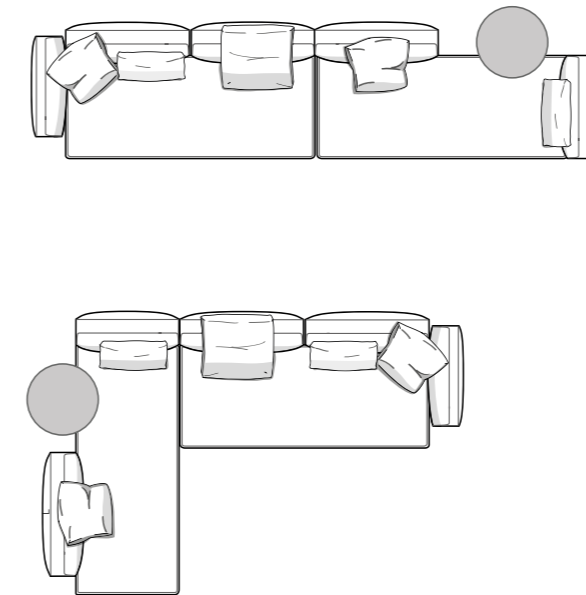

Cosy is a veritable system of modular elements which thanks to 5 bases, 2 backs and 1 arm rest enables infinite versions of sofas and configurations. Designed layouts, closed or open, can be changed and inverted on a whim over time. Seating is fitted with an original track system which enables the attachment of arm rests and backs to any point of the base.

Esempio di configurazioni che cambiano variando posizione agli stessi elementi modulari. L'operazione di modifica del layout avviene attraverso lo smontaggio e il rimontaggio di schienali e braccioli in differenti posizioni.

The layout change operation takes place by disassembling and re-assembling backs and arm rests in different positions.

FLARE *tables*

Una collezione di tavolini in varie altezze e misure di piano dal design originale e attrattivo che richiama in chiave contemporanea lo schema dei classici treppiedi francesi del XVII secolo. Le gambe leggere, eleganti e dal tratto dinamico si piegano dolcemente e si allungano fino a sostenere piani tondi da 52, 60 e 80 cm di diametro, in tre altezze da terra, 41, 49 e 61 cm, per assecondare diverse funzionalità.

Tre finiture del basamento in pressofusione d'alluminio e 9 diverse varianti di materiali per il piano creano affascinanti combinazioni.

A collection of occasional tables of various heights and top sizes featuring an original and captivating design, conceived as a contemporary retake of classic 17th century French three-legged side tables.

The light, elegant and dynamic legs softly fold and extend and can support 52, 60 and 80 cm round tops at three different heights, 41, 49 and 61 cm from the ground, designed for different functionalities. The die-cast aluminium base is available in three finishings, along with 9 different material versions for the top, enabling nothing short of exquisite combinations.

FILIPH AIR

L'evoluzione del sistema FILIPH interpreta diversi gusti estetici arricchendosi di una nuova versione caratterizzata da grande leggerezza ed equilibrio formale. Gli schienali si muovono a piacimento sulla grande isola di seduta dall'aspetto sospeso che si trasforma, adattandosi allo spazio ed al comfort personale, da divano raccolto a grande chaise-longue bifacciale.

The evolution of the FILIPH system interprets different aesthetic tastes, enriched by a new version characterised by supreme lightness and formal balance. Backs can be conveniently moved along the large island which appears suspended and transforms to adapt to interiors and personal comfort requirements, from a compact sofa into a double-faced chaise longue.

FILIPH

Trasforma il modo di vivere il divano e introduce innovativi materiali che affascinano al primo approccio.

Si distingue per l'assenza totale di divisione rigida tra destra e sinistra, davanti e dietro.

La disposizione degli schienali mobili è libera e asseconda il proprio personale comfort e il modo di vivere lo spazio abitativo attorno a sé.

Transforms the way to experience your sofa, introducing innovative materials that capture your attention immediately. It's distinguished by the lack of rigid division between right and left, front and back.

The disposition of movable backrests is absolutely free and guarantees greatest comfort in your living space.

FILIPH ci lascia liberi di assecondare i nostri desideri di movimento. La seduta si accorcia e si allunga a piacimento, da formale a rilassata, si inverte creando conversazioni vis-à-vis, diventa chaise-longue per lettura e relax, sino a grande letto libero e indipendente.

FILIPH allows us to indulge our needs and desires for functionality and movement.

The backrests can be positioned into various configurations, from reduced to extended sitting, from formal to relaxed, inverted to form face to face conversations or transformed into a chaise-longue, and finally, into a free-standing large bed.

PENTAGONAL *shapes*

Poligoni irregolari e simmetrici si accostano tra loro delimitando spazi dinamici ma funzionali.

La forma pentagonale è studiata per accostarsi indifferentemente con divani a profondità 110 e 125 cm. E' invertibile, diventando a piacimento destra o sinistra.

Irregular and symmetrical polygons combine with each other to define a dynamic and functional space.

The pentagonal shape has been studied to combine perfectly with sofas 110 or 125 cm depth.

It's reversible and can be positioned right or left as you please.

Le isole destrutturate con schienali e braccioli mobili possono trasformarsi creando configurazioni di composizioni sempre diverse e legate all'esigenza del momento.
L'assenza di strutture fisse crea apertura e condivisione in qualsiasi ambiente lo si inserisca.

The detached elements, with movable armrests and backrests, can be transformed to create various configurations and compositions depending on your needs. This allows you to create a feeling of openness and space in any room.

Ricerca PROGETTAZIONE e innovazione

Materiali innovativi ed ecocompatibili, nati dall'esperienza della moda, accolgono con una soffici ta inaspettata e mantengono nel tempo la forma della seduta.

Speciali poliuretani ad elevata traspirabilit  ed elasticit  e materiali di derivazione nautica consentono agli schienali di spostarsi e nello stesso tempo di ancorarsi in qualsiasi posizione.

Gli schienali mobili sono progettati per accogliere anche due persone in appoggio o garantire un sostegno alto se dotati di cuscini accessori in Hi-tex.

The movable backrest has been designed to accommodate two people.

The support of an additional Hi-tex accessory cushion, guarantees high backing for maximum comfort.

Innovative and environmentally friendly materials, born from the fashion industry, welcome an unexpected softness.

Special high resilient and elastic polyurethanes, along with materials of nautical derivation, allow free movement of the backrest, but at the same time, immediate anchor it in any position.

NOTHING MORE *than bed*

Una morbida e leggera housse è un accessorio indispensabile che veste il divano proteggendolo con l'eleganza di un abito su misura e la leggerezza di un lenzuolo appena stropicciato. Ora il divano è pronto per trasformarsi in un comodo e spazioso letto a una piazza e mezza.

A soft and light cover ("housse") is an essential accessory that dresses the sofa, protecting it with the elegance of a tailor-made suit and the lightness of a bed sheet. Now the sofa is ready to turn into a comfortable and large bed.

FILIPH *outdoor*

A bordo piscina, sotto un ampio patio, una piccola veranda, o semplicemente sulla terrazza di una villa al mare: FILIPH OUTDOOR è costruito e studiato con innovativi materiali adatti ad un utilizzo open-air.

Le sue linee morbide, scultoree e il suo utilizzo flessibile esaltano le qualità del divano ogni volta lo si viva all'aria aperta e non solo.

Una collezione di speciali tessuti outdoor ne completano le caratteristiche di durata agli agenti atmosferici.

Designed and constructed with the most innovative materials suited for open-air use: FILIPH OUTDOOR is a brilliant solution to a large patio, small veranda, to an intimate setting by the pool, or simply on a terrace of a villa overlooking the sea.

Its soft, sculptural shapes and its flexible use emphasize the quality of the sofa, enabling you to enjoy it everytime whilst in the open air and indoors.

A collection of specific outdoor fabrics complement the characteristics against various atmospheric conditions.

OLTRE

Volumi morbidi e scultorei abbinati a ricercati particolari di sartoria tessile raccontano un divano "a pozzetto" raffinato ed elegante.

La cucitura "a profilo" corre sulla struttura delineando i contorni e dando rigore alle accoglienti linee curve.

La soffici ta e la naturale caduta della piuma e del piumino regalano, in contrasto, morbidezza e flessibilit  di comfort.

La base della seduta sfuma verso terra creando, avvicinandosi al divano, un effetto di volume "aereo".

Soft and sculptural shapes, along with gracefully refined tailor-made details, describe this unique and elegantly designed sofa.

The trim outlines the structure and delineates the profile, giving a rigorous aspect to its curvaceous lines.

Natural and flowing qualities of down feather donate ultimate softness and comfort.

The base of the structure fades into the ground, generating an "airy" volume impression.

Esclusive lavorazioni RACCONTANO *i materiali*

OLTRE nella scenografica versione in pelle abbina pregiati ed esclusivi pellami a cuciture "al vivo" che esaltano la natura del cuoio. I grandi piani di seduta e struttura permettono di leggere la vita, la lavorazione e la texture della materia. Mentre velluti, tessuti e trame vestono le cuscinerie creando delicati ed esclusivi contrasti sensoriali.

In its scenographic leather version, OLTRE presents an exclusive upholstery with sharp edge stitchings, which highlight the exquisite nature of the leather.

The wide surfaces of the structure allow you to appreciate the origins and workmanship of the precious materials.

OLTRE richiama linee e finiture di memoria ma stupisce con un design nuovo e ricercato. Raffinati dettagli costruttivi e cuscinate in piuma dolcemente scomposte creano inaspettati contrasti sensoriali.

OLTRE recalls classical silhouettes and finishings, but dazzles with a new and authentic design.

Refined details, smooth fabrics and wavy cushions create an unexpected sensory contrast.

Golden drops *on the earth colors*

Bionde piume illuminano i toni della terra.

Una texture dorata cade sui legni che richiamano colori antichi e rassicuranti.

Uno spazio intimo ci accoglie in casa, tortora e blu notte disegnano pregiati divani, mentre morbidi accessori dai riflessi cangianti danno luce alla matericità del pellame.

Blonde features illuminate earth tones. A golden texture lightly falls onto woods which conjure up ancient and reassuring colours. An intimate space welcomes us to our home; dove grey and midnight blue design refined sofas, whereas soft accessories with iridescent reflexes enrich leather textures with light.

SQUARE LINE

Rigoroso e morbido al contempo:

SQUARE LINE definisce una presenza elegante e materica ma non invadente.

I cuscini di varie densità e dimensioni avvolgono la schiena senza ingombrare visivamente.

La seduta avvolgente ed elastica mantiene un gusto composto.

Il gioco dei cuscini consente configurazioni tradizionali o soffici e sofisticate composizioni tessili, dove vuoti e pieni risaltano le linee continue della struttura.

Rigorous, but at the same time delightfully soft, SQUARE LINE defines pure elegance. The cushions of various dimensions and density, wrap around the backrest, without obstructing the fine linear design. Different cushion combinations consent traditional configurations or soft and sophisticated textile compositions.

L'esclusiva versione SQUARE LINE STEEL mostra finiture preziose grazie al basamento in metallo dal design originale e dalle finiture personalizzabili. Complementi e accessori in pelle e cuoio ecologico giocano con le finiture in metallo della base creando un'immagine raffinata e innovativa del divano.

The exclusive version of SQUARE LINE STEEL displays a precious finishing thanks to its finely designed metal base. Accessories in leather and exclusive fabrics play along with the metal base, creating an innovative and refined image of sofa.

SQUARE LINE VENTICINQUE STEEL: versione del divano con bracciolo da 25 cm e basamento in metallo
SQUARE LINE VENTICINQUE STEEL: 25 cm armrest and metal base sofa version

SQUARE LINE si modella al corpo grazie a più profondità e altezze personalizzate e diverse densità di materiali tradizionali o innovativi.

Due diverse profondità e due altezze di seduta, tre differenti materiali di imbottitura nei sedili e due negli schienali, creano 24 diverse combinazioni di comfort: la totale personalizzazione di immagine e funzione.

SQUARE LINE perfectly adjusts to the body thanks to its customizable height and depth, along with different densities of modern and traditional padding materials.

Two different depths and two heights, three different padding materials for seat cushions and two different backrest cushions, contribute to create 24 different combinations of comfort: total customization of image and function.

Custom-made COMFORT & SIZE

materials RESEARCH

Tradizione e tecnologia si esaltano a vicenda risaltando finiture sartoriali e un comfort inaspettato.

Piume e piumini giocano e si completano con imbottiture innovative in memory foam, polilatex e microfibre Hi-tex.

Tessuti tradizionali o vintage, pellami preziosi, accessori in cuoio ecologico e acciaio, velluti e lini, creano mix materici e di texture contemporanei ed esclusivi.

Tradition and technology underline finelytailored look and unexpected comfort. Down and feather complete the innovative padding in memory foam, polilatex and Hi-tex microfiber.

Conventional or vintage fabrics, precious leathers, eco-friendly accessories and steel, velvet and linen: create a mixture of contemporary and exclusive textures.

Vestito con cuscini liberi di varie densità e dimensioni, SQUARE LINE si caratterizza per i contrasti fra linearità e morbidezza, dove vuoti e pieni risaltano le linee continue della struttura. I cuscini avvolgono la schiena e sostengono la testa senza ingombrare visivamente. Si adagiano al corpo avvolgendolo nell'impalpabile sostegno della piuma.

Surrounded by free cushions of various dimensions, SQUARE LINE is characterized by the sharp contrast between linearity and softness. The cushions wrap the back supporting the head, maintaining a light aesthetics: recline your body by folding it into the impalpable feather padding.

BLUM

Leggerezza nell'immagine, dettagli raffinati e comfort in seduta rappresentano le qualità di BLUM.

BLUM avvolge il corpo grazie all'abbinamento di materiali tradizionali ed innovativi, accogliendolo con un sostegno personalizzato da diverse imbottiture e schienali ergonomici.

Visual Lightness, skillfully crafted details and comfort of the seating represent essential qualities of BLUM. BLUM embraces the body due to its various combinations of conventional and innovative support of different padding and ergonomic backrest.

Tailored DESIGN creations

BLUM offre un sostegno alto ed ergonomico grazie alla sapiente miscela di materiali tradizionali e imbottiture di nuova generazione. Tradizione e tecnologia si esaltano in un divano sartoriale dalle innovative soluzioni strutturali ma dall'immagine senza tempo.

BLUM offers high ergonomic support featured by traditional materials and innovative polyurethane foams. A Bespoke sofa that combines tradition and technology, together with innovative structural solutions.

Blue velvet *lights up antique brown*

Intensi velluti blu e lucidi riflessi del metallo vissuto illuminano profondi ed eleganti colori minerali. Grigi e marroni si fondono. Una sfumatura di giallo richiama l'attenzione e sottolinea la trama del tessuto che ci avvolge.

Intense blue velvets and the shiny reflexes of worn metal illuminate deep and elegant mineral colours.

Greys and browns merge. A shade of yellow captures the attention and emphasizes the patterned fabric which envelops us.

WILL

La struttura sospesa e le lunghe sedute intere raccontano un divano dai volumi leggeri ed aerei.

Eleganti profili percorrono le forme morbide del divano e degli schienali creando un gioco di incroci tessili, mentre braccioli e schienali si uniscono alla struttura creando un raffinato gioco di volumi.

The light structure and long seating cushions portray an "airy" image of sofa. Fabric pipings go through the soft shapes of the structure and the cushions, highlighting the modern lines of WILL.

Armrest and backrest join the structure creating a delicate play of different depths and volumes.

Oriental memories *teal painted*

Un'impronta ottanio colora di seduzione i toni naturali dei lini. Ombre color caffè giocano con sfumature magenta e segni di bianco, evocando esotiche memorie. La casa si tinge del nostro vissuto e del desiderio di esplorare nuovi abbinamenti.

A teal print adds a touch of seduction to natural linen tones. Coffee shades play with magenta shades and white signs, evoking exotic memories. The home is coloured with our experience and desire to explore new combinations.

SHABBY

Piume e lini disegnano eleganti morbidezze: SHABBY è un esclusivo prodotto che fa del contrasto fra volumi pieni e soffici vuoti la sua raffinata natura.

Le particolari cuciture sartoriali delineano i volumi piacevolmente scomposti dalle soffici imbottiture. I cuscini, liberamente posizionati, giocano con forme, trame e colori esaltando l'avvolgente natura della piuma.

Divani e composizioni su misura sono dedicati a chi ama inaspettati ed eleganti abbinamenti tessili.

Feathers and linen draw an elegant softness: SHABBY is an exclusively executed product. Marked by sharp contrast between its voluptuous lines and downy cushions. Presence of tailored seams pleasantly delineates the decomposed volumes of soft padding. The cushions, while freely positioned, play along with the flowing shapes, textures and colors, highlighting the comfortable nature of feather down. Sofas and tailored-made compositions are dedicated to those who love and appreciate unexpected fabric combinations.

Turning SOFA *inside out* Materiali innovativi ed alta sartoria: ogni particolare si declina in comfort e design.

- 1** All'interno di sedute e schienali l'innovativa microfibra HI-TEX rivoluziona comfort, accoglienza e microclima del divano. HI-TEX è un prodotto duttile dall'ottima elasticità e stabilità. HI-TEX è morbido, accogliente, leggero, ignifugo, traspirante, inodore ed ecocompatibile.

The innovative HI-TEX microfiber revolutionises the comfort, support and microclimate in the seats and backrest of the sofa. HI-TEX is a ductile product having excellent elasticity and stability. HI-TEX is soft, comfortable, lightweight, fireproof, breathable, odourless and environmentally friendly.

- 2** La sartoria è fatta di ricerca e tradizione, materiali e manualità. Profili, cuciture e gros grain raccontano la cultura dell'imbottito.

The tailoring comes from extensive research into tradition, materials and craftsmanship. The culture of upholstery can be seen in the details, piping stitching and the grosgrain.

- 3** Ogni nostra componente imbottita è studiata in densità, forma ed elasticità per donare comfort e resistenza nel tempo. Selezioniamo più di 20 tipologie di poliuretani espansi diversi, che sapientemente misceliamo a quote differenziate per ogni progetto di divano.

Each of our padded components is studied in density, shape and elasticity to give comfort and resistance over time. We select over 20 different types of polyurethane foams, which are skilfully blended with different densities for each and every sofa project.

- 4** Esclusive schiume poliuretatiche di ultima generazione, come la schiuma microcellulare a cellula aperta SOFF, donano nuovi livelli di comfort e traspirabilità, mantenendo eccellenti resistenze ed elasticità.

The latest generation of exclusive polyurethane foams, such as microcellular foam with open cell "SOFF", provide new levels of comfort and breathability while maintaining excellent strength and elasticity.

- 5** Soltanto "pura oca", una sapiente miscela di piuma e piumino, la meticolosa selezione delle piume intere e non rotte, la garanzia di origine e trattamento del prodotto secondo i più alti standard e il tessuto speciale ad alta tenuta conferiscono a un cuscino l' "Etichetta ORO" ASSOPIUMA®.

Only "pure goose" feathers, a blend of feathers and down, the meticulous selection of whole, unbroken feathers, a guarantee of the origin and treatment of the product to the highest standards and the cushions' special high tensile fabric is worthy of the "Gold label" ASSOPIUMA®.

- 6** Ogni giorno testiamo ogni componente del vostro divano perché soddisfi la vostra ricerca di qualità e raffinatezza. Dai filati italiani al Velcro® originale, seguiamo le tendenze studiando le tecnologie migliori.

Every day we test each component of your sofa to ensure it satisfies your expectations of quality and sophistication. From Italian threads to the original Velcro®, we follow trends by studying the very best technology has to offer.

- 7** Sfoderabilità vuol dire creare prodotti perfetti sopra e sotto la fodera, ove ogni dettaglio sia curato e progettato per permettervi di cambiare gusti e colori qualsiasi momento vogliate. Senza pensieri, senza limiti.

Removable covers means creating perfect products on top of and under the lining, where every detail is well designed and expertly finished to allow you to change design and colourway whenever the mood takes you: limitless.

HELEN

Superfici curve e volumi fluidi si intrecciano tra loro descrivendo un progetto di poltrone versatili e dal design raffinato e contemporaneo. Il sapiente disegno delle forme nasconde una seduta accogliente in dimensioni molto contenute e permette di progettare spazi intimi e raccolti, come di impreziosire ambienti importanti.

Exploded view *of quality* *Qualità, tecnologie e materiali per durare nel tempo*

- 1** Vero legno, massello e multistrato delle migliori essenze europee compone il pianale dei nostri divani. Le certificazioni FSC e classe E1 ed E0 dei nostri legni e multistrati garantiscono una gestione forestale responsabile ed i requisiti ambientali delle normative internazionali più rigorose.

Real wood, solid wood and plywood, our sofa frames are made from the best European species. FSC and E1 - E0 class certification for our wood and plywood guarantee responsible forest management and that environmental requirements of the most stringent international regulations are met.

- 2** Ogni componente dei nostri prodotti è progettata grazie ai più innovativi software CAD. Ogni struttura ed ogni imbottitura è lavorata o pesata con macchinari a controllo numerico in modo da garantire la più accurata precisione di ogni prodotto.

Every one of our product components is designed using the most innovative CAD software. The structure and padding is processed or weighed using numerically controlled machines in order to ensure each product is precisely accurate.

- 3** Piedi e basamenti sono studiati e prodotti nel distretto industriale della Brianza: dalle pressofusioni e verniciature alle lavorazioni del legno massello: tutto per garantire un sostegno che dura nel tempo.

The bases and feet are designed and produced in the Brianza industrial area: from the castings and coatings to the solid wood production; ensuring continued support over time.

- 4** I nostri divani utilizzano piani di molleggio realizzati con cinghie elastiche monodirezionali di nuova generazione ad alta componente di caucciù che donano un comfort particolarmente omogeneo e duraturo.

Our sofas suspension plans with new generation unidirectional elastic belts with high rubber content which provide exceptionally smooth, lasting comfort.

- 5** La continua ricerca del dettaglio si esprime anche nei più piccoli componenti: la scelta della migliore ferramenta delle officine del territorio esprime la qualità del made in Italy.

The continuous pursuit of detail is also used in the smallest components: choosing the very best hardware confirms the very best of 'Made in Italy' quality.

- 6** Ogni lavorazione viene eseguita e controllata in Italia: dalla produzione degli stampi alla miscela delle piume con i massimi standard di precisione e qualità.

Every product process is carried out and controlled in Italy: from the production of the moulds to the mixture of feathers, all with the highest precision and quality standards.

- 7** Sappiamo far convivere legno e metallo nelle nostre strutture, sapientemente miscelati, per dare resistenza e flessibilità insieme.

Our strength is understanding how to make wood and metal coexist in our products, expertly blending them to provide strength and flexibility.

Struttura portante: in legno multistrato marino monoscocca con molleggio garantito da cinghie elastiche ad alta componente di caucciù.

Preparazione della struttura: in poliuretano espanso ad alta densità e resilienza ignifugo e anti muffa. Rivestimento della struttura con falda di microfibra "Hi-tex" di ultima generazione, ad alto fattore di comfort, certificata OEKO-TEX STANDARD 100, ignifuga, 100% riciclabile. Ulteriore rivestimento con tessuto elasticizzato impermeabile, anallergico, con trattamento anti batterico, anti funghi e anti muffe. Il fondo della struttura è rivestito con una membrana traspirante e impermeabile, e fissato con punti in acciaio inox.

Schienali mobili: realizzati con 3 differenti parti in poliuretano sagomate a controllo numerico, a densità differenziata, ad alta resilienza: il fondo è realizzato in una speciale schiuma microcellulare a cellula aperta che non permette la risalita dell'acqua. All'interno dell'assemblaggio delle imbottiture è predisposta una lastra d'acciaio verniciata a polvere che equilibra il manufatto. Ulteriore rivestimento con tessuto elasticizzato impermeabile, anallergico, con trattamento anti batterico, anti funghi e anti muffe abbinato ad una membrana traspirante e impermeabile sul fondo. Alla base dello schienale è predisposto, unito al rivestimento, uno speciale elastomero di derivazione nautica che permette l'ancoraggio per attrito.

Cuscini schienale: totalmente imbottiti in microfibra "Hi-tex" canalizzata di ultima generazione con rivestimento in tessuto impermeabile per esterno.

Sfoderabilità: rivestimento completamente sfoderabile.

Basamento: speciali piedi arretrati in ABS con gomma antiscivolo che permettono il posizionamento delle composizioni divani senza ganci o connessioni fra gli elementi.

Rivestimenti: per un utilizzo open-air ed outdoor dei divani si consigliano tessuti specificamente studiati per l'esterno.

Structure: in marine plywood mono-coque with high natural rubber content elastic strap webbing.

Preparation of the seat: in high resilience polyurethane foam, fireproof and anti-mold. Outer covering with "Hi-tex" microfiber, innovative padding certificated OEKO-TEX STANDARD 100, fire resistant, 100% recyclable. Additional covering made by waterproof elastic fabric, antifungal, anti-mold and with antibacterial treatment. The bottom side of the structure is close by a water repellent and breathable membrane fixed with stainless steel staples.

Movable backrest: made with 3 different high resilience polyurethane parts shaped under numerical control: the bottom is made in a special microcellular foam with open cells that doesn't allow capillary water rising. Backrest construction has inside a powder coating metal plate. Additional cover made by waterproof elastic fabric, antifungal, anti-mold and with antibacterial treatment. Thanks to a special nautical elastomer fixed with the cover, backrest attach on the base.

Back cushion: channeled "Hi-tex", a last generation microfiber, outer covered with water repellent outdoor fabric.

Covers: completely removable in all versions. For outdoor or open-air use of the sofas, it's advisable to choose outdoor fabrics.

Base: specials half-hidden ABS feet, non-slip rubber allows to join sofa without junction hook.
